

May 2024 Newsletter

Hi and welcome to the first edition of our new Buckley Runners monthly newsletter. 2023/24 is in the books, and what a year we had.

We boxed it off with a brilliant night on Saturday (see below). Massive thanks again to Claire Campbell for her efforts as social sec, both for the presentation and the year as a whole. Across all three of our main disciplines we've had success; up in the mountains, out in the mud and on the tarmac. Numerous individual awards in both the North Wales Cross Country and Borders Leagues, with the cherry on top being the fantastic team performances in the Borders. Our Men did the double with both Senior and Vets winning their divisions. That was topped up to a Treble with the Ladies Vets having a brilliant end to the season. Producing a massive performance on the final day at Hoylake, to overhaul West Cheshire AC. We've had exciting stuff happening behind the scenes, with the first ever club badge being designed and a new kit partnership (which ultimately means a new race vest too!), among other things being worked on. Having recently had confirmation that our club was formed in 1984, this makes the current season, 2024/25, a big one. We're really looking forward to having the best year yet, and celebrating our 40th in style!

Full details of the night, and more info on the awards and their respective winners, can be found on our [website](#).

Club and Welsh Athletic renewals are due

Every existing member should now have received a membership renewal payment request via email. If you haven't received an email, please let Gerard Coleman know.

MEMBERSHIP Renewal 2024-2025

Buckley Runners & Welsh Athletics subscriptions have been due as of 1st April. The subs are £3 per year (£5 if social only & not joining Welsh Athletics) for Buckley Runners & £21.00 for Welsh Athletics (UKA registration), total £24.00.

Each existing member will need to complete the Google form to comply with GDPR. [GDPR click here](#).

Payment Method Update

Each member will receive an individual email containing a link to make online Payment for both WA registration and/or Buckley subs (this replaces the previous method where members made a bank transfer to the club & then the club would have to pay each individual WA registration on the athletes behalf)

Please message Gerard Coleman direct or email brcmembers@gmail.com if you have any questions relating to the membership renewal process

PLEASE NOTE

It's vitally important members renew at the earliest opportunity. This is to benefit both you as an athlete and us as a club. Delaying your renewal will impact your club & Welsh Athletics benefits; it may also impact how many guaranteed London Marathon spots the club get, as these are distributed based on a member amount basis. Furthermore, if you're looking to represent your region or nation, or the club (at WCR for example), then you must have valid membership.

New club kit

In case you missed it, last week we confirmed the kit designs with our new kit provider, VX3. We're still in the process of finalising the details and setting up the club shop. As soon as that is done, we'll share with you all, so you can start ordering your new BRC kit. Not only will we have a new vest, but the shop will include other kit such as jackers, hoodies, kit bags and beanie hats!! Which will possibly be the replacement for the Buckley Buff and will be available to win at every club raffle!

C25K 2024

After such a successful return of our c25k programme last year, it's been great to see the encore this year being just as good. Our 9 week programme, lead by Nicole van den Wittenboer and Rob Mackey, is about to enter week four. The class of 2024 have been fantastic progress and will hopefully still be enjoying it, as the run time starts to increase at least we're getting to do it in nicer weather. The graduation run is scheduled to take place at Wepre parkrun on June 15.

Buckley on Tour

There's been some early news about a possible trip abroad (Europe) to take on a half marathon / 10k race. Early mentions have been for Lisbon half (9 March 2025) and Malaga half (23 March 2025). Amsterdam has also been mentioned due to a previous club trip being a big success, and the range of races that are put on that weekend. What is likely to happen is a few people will book on, let others know and it'll snowball from there. Dave Lemon has already booked on to Lisbon, others are looking into it.

And speaking of Amsterdam, some of our members have already booked to fly out 19-22 Sept to go and run Zuiderpark parkrun. THE LETTER Z! It's an open invite to all and if anyone is interested in any more info, please contact Caroline Caffery.

The Les Coathup Club Championship

At the 2023/24 presentation it was announced that the Club Championships will be named after recently inducted life member, Les Coathup. For 2024/25 there will be two types of Club Championship: The Open Championship and The Age Graded Championship

What is an 'Open Championship'?

This is a first past the post system where you get recognition for the position you achieved in the race regardless of age. 1st Buckley Runner back gets 100 points, 2nd gets 99 points, 3rd 98 points etc. This system tends to favour younger members of the club.

What is 'age-grading'?

Age grading is a way to adjust an athlete's performance according to age. The age-grading tables were developed by the World Master Association (WMA) – the world governing body for track and long distance running for veteran athletes. The tables work by recording the world record performance for each age at each distance, for men and women. Where necessary, the world record performances are estimated. The time you achieve in a race is then expressed as a percentage of the world record. The higher the percentage – the closer you are to the world record.

What's coming up

May see's two Club Championship races, both of which are eligible for road:

Christleton 5k 2024 Friday, 17th May at 19:15 – ROAD

2024 Essar Chester Half Marathon Sunday, 19th May at 09:00 – ROAD

Member achievements, PB's and race reports

On Sunday 5 May, Jen Rambaldi, Jane Doughton, Margaret Ludden and Tracy Rogers took part in the Masters International between Wales and England, at the Great Birmingham 10k.

Jen, Jane and Marg wore the red of Wales with Tracy in the white of England. All four ran superbly and did themselves proud. As a club, we're proud to see our runners being selected for their country, off the back of their effort, work, dedication and commitment.

It's a great honour and well deserved.

Results -

Tracy Rogers 36' 52" (82nd OA / 7th female / 4th age and gender cat)
Jen Rambaldi 38' 49" (129th OA / 17th female / 7th age and gender cat)
Jane Doughton 42' 48" (228th OA / 54th female / 12th age and gender cat)
Marg Ludden 48' 08" (454th OA / 117th female / 11th age and gender cat)

Each newsletter we'll include any achievements, PB's, race reports or stories you want to include.

Look out for a Facebook post (in the [members only](#) group) at the end of each month to post your achievements, PBs or share a story, that you'd like included in the next newsletter.

Alternatively you can send these over throughout the month to Charles Barton, or any other committee member.

Upcoming Club Events

Each newsletter we'll include key events that are coming up, and this will hopefully help keep all members up to date with things going on. As above, if you feel any event that's coming up should be added, please don't hesitate to let us know.

Coming up in June, 20 runners (along with numerous support crew) will be embarking on, what many might say, is the greatest weekend in the calendar. It's the Welsh Castles Relay.

Welsh Castles Relay 2024 will take place on the 8th & 9th June. It's a 2 day, 20 stage, 209 mile staggered relay stage race, held mostly on road but with many hills & mountains on route from Caernarfon to Cardiff with an overnight stay in Newtown. It's organised by Les Croupiers Running Club Cardiff.

The competition is of a very high standard, and whilst we won't be there challenging for the overall team titles, last year saw us pick up 3 yellow jerseys (Jen Rambaldi & Jane Doughton first ladies and Chris Callaghan first vet). For the individuals it's a great achievement & honour, and for the club to get three was something very special. After Jen picked up the club's first ever yellow jersey in 2022, we're now getting a bit of a collection! For the individuals and as a club, a very proud moment.
